3. RATIONALE AND BENEFITS OF THE PROPOSED NEW SHAREHOLDERS' MANDATE

The Proposed New Shareholders' Mandate will enable our Group to carry out RRPTs necessary for its day-to-day operations, which are time-sensitive in nature, and will eliminate the need to announce and convene separate general meetings (if applicable) from time to time to seek shareholders' mandate for such transaction. This will substantially reduce the expenses, time and other resources associated with convening of general meetings on an ad hoc basis, enabling our Group to focus its resources on strategic and operational priorities. Additionally, the RRPT has been structured on fair and commercially reasonable terms to safeguard the interests of our Company and its shareholders. The sublicense agreement for the use of the TESSR ensures that Inspidea has uninterrupted access to an animation production management software customised to our Group's requirement tailored to its business needs. This familiarity with TESSR's software and technical support also reduces transition risks, enhances workflow and operational efficiency, and supports our Group's ability to deliver high-quality animation content while maintaining its competitive edge in the industry.

The payment of licence fees pursuant to the software sublicense agreement between Inspidea and Tessereum is crucial for ensuring continued access to the TESSR, which supports Inspidea's core production business activities.

4. EFFECTS OF THE PROPOSED NEW SHAREHOLDERS' MANDATE

The Proposed New Shareholders' Mandate will not have any effect on our Company's share capital, shareholding structure, consolidated net assets, consolidated earnings and gearing of the Group for the financial year ended 31 December 2024.

5. APPROVALS REQUIRED

The Proposed New Shareholders' Mandate is subject to the approval of the shareholders of Kucingko at the forthcoming 2nd AGM.
